1 Introduction

This document contains both English (left-to-right) and Arabic (right-to-left) text to evaluate multi-language and multi-directional text extraction capability.

2 Bilingual Content

Here is a paragraph in Arabic:

هذا نص باللغة العربية لاختبار قدرة محرك الاستخراج على التعامل مع النصوص ثنائية الاتجاه واللغات المختلطة.

And here is a translation in English: "This is an Arabic text to test the extraction engine's ability to handle bidirectional texts and mixed languages."
